# Webinar on "Cloud Technology and Information   Security and its future Opportunities"

Department of Computer Studies & Research, Sardar Patel Mahavidyalaya, Chandrapur organized a webinar on "Cloud Technology and Information Security and its future Opportunities", in association with the Department of Robotics & Cloud Technology, RTMNU, On Dated 06/Feb/2023

Mr. Mahesh Yelkar, Training Coordinator Robotics & Cloud Department RTMNU, was the resource person for the webinar. He explains to the student that during the past few years, the term "Cloud Technology" has taken off in the tech world. Due to the many advantages of using cloud technology, the Covid-19 epidemic has increased demand for cloud services. At this time, cloud services are being utilized all over the world. This has also increased online hacker threats, necessitating the use of information security in cloud computing. The principal of the college Dr. P. M. Katkar presided over the program. He wished the students a prosperous future and urged them to take advantage of this chance to learn more and to keep expanding their knowledge.

The Webinar was organized under the guidance of Dr. S. B. Kishor, Coordinator of the Department of Computer Studies & Research & Miss. Poonam Awari, Student Coordinator Department of Robotics & Cloud Technology, RTMNU. Assistant Professor Shital Bora delivered an introductory remark and addressed the significance of Cloud Computing and how it became necessary for the time. Event Coordinator Assistant Professor Tejaswini Akulwar conducted the proceedings. Assistant Professor Priti Durge proposed a vote of Thanks. Assistant Professor Santosh Shinde was the Technical in charge of the webinar. It was well-received by the students of PG & UG who proactively participated in a large number and gave an overwhelming response to it. The teaching and non-teaching staff of the department strove hard for the success of the program. For the above webinar Mrs. Sudhatai Potdukhe, President of Sarvodaya Shikshan Mandal, Mr. Prashant Potdukhe, Secretary of the Society, Mr. Sudarshan Nimkar, Vice President of the Society, Dr. Kirtivardhan Dixit, former Vice Chancellor of Gondwana University Gadchiroli, Mr. Manohar Tarkunde, Treasurer, members of the organization Mrs. Sagunatai Talandi and Mr. Rakesh Patel congratulated them.

Seminar on "Career Opportunities in Digital Sector"

Seminar on "Career Opportunities in Digital Sector" in Sardar Patel Mahavidyalaya, Chandrapur.

The Department of Computer Studies & Research, Sardar Patel Mahavidyalaya, Chandrapur organized a seminar on "Career Opportunities in Digital Sector" for all the students of UG & PG Dated 17/03/2023.

Mr.Abhishek Acharya, DIZVIZ Production was the resource person for the program. All the dignitaries of "Sarvodaya Shikshan Mandal" congratulated Dr. P M Katkar sir, all teaching staff, students for this milestone achievement. The President of Sarvodaya Shikshan Mandal, smt. Sudhatai Potdukhe madam, The Secretary Honourable Bharat Potdukhe sir, Vice President Sudhakar Nimkar sir, Joint Secretary Dr. Kirtiwardhan Dikshit sir, Member Sagunatai Talandi madam , S K Ramjan sir, Rakesh Patel sir, Jitesh Patel sir, MLA Kishor Jorgewar sir, Sandip Gaddamwar sir, Suresh Potdukhe sir, Chandrashekhar Wadegavkar sir, Chief Executive Arvind Sawarkar Porrediwar, Treasurer Manoharrao Tarkunde and others expressed a deep satisfaction to be a part of this esteem Institute.

Seminar on "Big Data Analytics and Hadoop" Engages MCA Students at SP College, Chandrapur
On Oct. 21,

 a seminar on "Big Data Analytics and Hadoop" was organized by Department of Computer Studies and Research, Sardar Patel Mahavidyalaya, Chandrapur for the student of MCA. Dr. Rajani Singh, the esteemed Head of the MCA Department at BIT Ballarpur, was a resource person. Dr. Singh's presentation illuminated various aspects of the subject, providing invaluable knowledge to the attentive students.

The program was graced by the presence of Dr. S. B. Kishor, the Coordinator of the MCA department, who presided over the event, offering his valuable insights and encouragement.
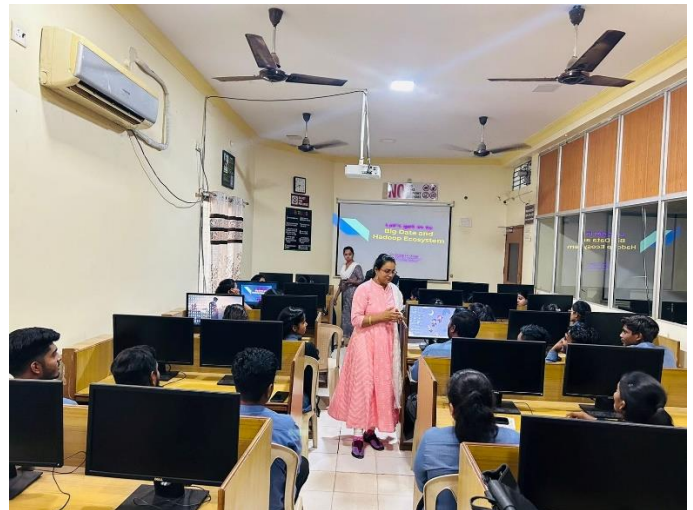

Steering the proceedings with precision and finesse, Ms. Tejaswini Akulwar ensured a seamless flow of information throughout the seminar. Ms. Akulwar's proficient management significantly contributed to the success of the program. The program initiative was taken by Mr. Santosh Shinde, Ms. Leena Nasare, Dr. Dayanand Hiremath, Ms. Goldy.

Ms. Anushri Dasawar extended warm thanks to all involved, expressing gratitude for their contributions to the seminar's success.

The seminar stands as a testament to the dedication and expertise of the faculty, inspiring students to explore the dynamic field of Big Data Analytics and Hadoop further. The event was a resounding success, leaving attendees eager for more enriching experiences in the future.

The seminar garnered enthusiastic participation from both students and faculty members of the department. It served as a platform for students to deepen their understanding of Big Data Analytics and Hadoop, further enriching their academic journey.

Under the astute guidance of Principal Dr. P. M. Katkar, the program unfolded seamlessly, reinforcing the commitment of SP College to academic excellence.

one-day seminar on Research Methodology for PG Science Students.

"Mrs Shilpa Puri emphasizes that Research Methodology is crucial for PG Science Students

On February 7th, the Department of Computer Studies and the Research, Invention, Innovation, and Incubation Council (IIIC), along with the Computer Club-beyond the Vision at Sardar Patel Mahavidyalaya Chandrapur, recently conducted a one-day seminar on Research Methodology for PG Science Students.

Mrs. Shilpa Puri, from the Department of Business Management, RTMNU, Nagpur, played a pivotal role in the session, offering guidance to attendees and sharing insights on the Research Field. She guided and interacted with students in developing Genuine Ideas which provoked an understanding of Research Development and its Methods for Implementation. She provided valuable tips and shared personal experiences from her journey. Participants gained practical Understanding enriched by real-world examples, creating a dynamic and insightful learning Environment. Mrs. Shilpa Puri's expertise illuminated the path for those aspiring to excel in the Research field, leaving a lasting impact by Interacting with students, addressing their Research queries, and contributing to the overall success of the session.

Dr. P.M. Katkar, the Program president, and Principal, expressed his Concerns. In his address, he emphasized the importance of research in a researcher's life.

Vice Principal, Dr. Swapnil Madhamshettiwar, also spoke on the occasion and asked the students the take the benefit of the session and resolve all their doubts via queries.

During the seminar, the Introductory Speech by Dr. S. B. Kishor, the Head of the Department, emphasized that the key to success lies in Research Methodology.

The efficient execution of the event was overseen by Assistant Professors Dr. Dayanand Hiremath, Mr. Santosh Shinde, Ms. Leena Naste, Ms. Goldy Thadwani, and Ms. Nigar Pathan.

Ms. Aishwarya Randive, a club member of Beyond the Vision, conducted the program, and Ms. Nandini Lokhande proposed the Vote of Thanks.

The program was conducted under the guidance of Principal Dr. P.M. Katkar and coordinator Dr. S.B. Kishor.

One-day Seminar on Intellectual Property Rights in Sardar Patel Mahavidyalaya, Chandrapur.

We are excited to reminisce about the successful one-day seminar Conducted by the Department of Computer Studies and Research and Invention, Innovation and Incubation Council (IIIC) on Intellectual Property Rights that took place recently for the Teaching Faculty Members of Sardar Patel Mahavidyalaya, Chandrapur. The event aimed to create awareness and enhance understanding of the significance of protecting intellectual property.

The highlight of the seminar was our esteemed resource person, Dr. Suhasini Chaurasiya. With her remarkable expertise in the field, spanning several years, her presence elevated the event to new heights. She shared her vast knowledge and insights with all the attendees regarding how to apply for a Patent and how to protect Intellectual Property.

We express our gratitude to him for contributing to the success of the event. Principal, Dr. P. M. Katkar, chaired the session and his constant support and presence added great value to the seminar.

Dr. Katkar inspired the audience with his ideas on how to further raise awareness about the significance of intellectual property rights. His guidance and encouragement resonate deeply, reminding us of our role in protecting and respecting intellectual creations.

Dr. Swapnil Madhamshettiwar, Vice Principal of the college also grace the occasion. The program was held under the guidance of Dr. SB Kishor, Head Dept of Computer Science.

The program was conducted by Asst. Prof. Goldy Thadwani. The technical side was handled by ADr. Dayanand Hiremath, Asst. Prof. Santosh Prakash Shinde, Asst. Prof. Gitesh Vitthal Burande.

In the end, Let us continue to embrace our responsibility to protect and respect intellectual property rights. Together, we can create a culture that fosters innovation and safeguards the creation of brilliant minds.
