7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

### **SWOC Analysis**

#### **Strengths**

- Biggest college of the region imparting higher education at UG,PG and Research level.
- Demand for science and commerce faculty is very high.
- Organising many students orientated academic activities.
- Use of innovative, technology based classroom teaching.
- Biggest Library with over seventy thousand books.
- Research journal and students research magazine.
- Social activities are conducted by various departments.
- Pollution free and eco-friendly campus
- Active participation of students in sports, cultural and co-curricular activities.

#### **Weaknesses**

- Much of the autonomy is not available being an affiliated college to the university.
- There are many self financed courses where in full time staff recruitment is difficult.
- College is located at the heart of city; therefore scope of expansion of building is limited.
- Students admitted are having poor financial background.

#### **Opportunities**

- The college is affiliated to newly started Gondwana University, being largest college in terms of students strength and courses run, Therefore lot of opportunities are available to work on various bodies.
- More openings for student employability with new industries coming up in and around Chandrapur.
- To develop linkages with industries, institutions and NGOs for mutual benefit.

#### **Challenges**

- Interest of student in basic education is declining with time.
- Adapting with the global scenario is difficult.
- Appointments of full time teachers in self financing courses.

**BEST PRACTICE 1**

- **Title of the Practice:** Summer Sports Coaching Classes
- **Goal :** The aim of this practice is to provide training to the students in order to develop skill in various sports. The aim of sports coaching camp are to enable the student to;
  - Appreciate and understand the value of sports and its relationship to a healthy active life style.
  - Work to their optimize level of physical fitness.
  - Become aware to the movement as a creative medium connected to communication, expression and aesthetic appreciation.
  - Develop the motor skills which are necessary to participate successfully in a variety of physical activites.
  - Experience enjoyment and satisfaction through physical activity that develops social skill, importance of teamwork and co-operation in group activities.
  - Demonstrate a high level of interest and personal engagement showing initiative, enthusiasm and commitment.
  - Demonstrate the ability and enthusiasm to pass on to others in the community the knowledge, skills and techniques that have been team.
- **The Context:** It is observed that the subject sport is unattended area and need proper importance in the curriculum. In recent years it is observed that some quota in government and private sector jobs is reserved for sportsman. However students in the area are lagging behind in performance and participation in sports activity. Secondly under institutional social responsibility (ISR) college administration has decided the optimum utilisation of sport infrastructure for the benefit of students who are residing in nearby area and are not the existing students of college. These students may be called for participation in summer sports coaching classes to enhance the sports skills. These students are found to take keen interest in the activities and are ready to take admission in coming years as regular students.
- **The Practice :** The practice is the part of regular activities since three years. The incharge of the physical education department is asked to prepare proposal for the yearly sports summer coaching classes .The proposal usually content the duration of coaching, sports to be included, coaches availability, probable expenditure, timings, number of participants to be selected, criteria for the selection etc. After finalising and accepting the proposal a formal schedule is prepared applications are invited and students are asked to remain present on particular date. The formal inaugural programme is held, participants are introduced with their coaches and are separated in batches for various sports according to the interest of participants. They are provided regular training, suitable diet is also given and improvement in their performance is observed by their coaches. The sports like Wrestling, Boxing, ball ball-badminton Volleyball etc. are included.

- **Evidence of Success:**
  - Participants are participating in district, state and national level tournaments.
  - Memorizing and mental power are develop.
  - Motor skills and physical fitness are enhancing.
  - Socially they become more responsible by positive attitude alos helps to develops social life and academic curriculum.
- **Problems encountered:** Shortage of funds as practice is implemented free of cost. Number of sports for coaching are limited as adequate infrastructure is not available

- **Notes :** Nil.
