

Message from the Principal's Desk

It is a matter of pride and pleasure to be the principal of the best and largest colleges in the central India affiliated to Gondwana University Gadchiroli. The College has bagged 3.05 CGPA in its third cycle of accreditation and become first college to achieve this honour in Gondwana University Gadchiroli. Late Shri Shantaramji Potdukhe, former president and founder of the Sarvoday Shikshan Mandal, has always been a beacon light and shown path of success and holistic development. His memory and vision of development will remain a source of inspiration to take the college to further heights.

With all time support from the hardworking and seasoned staff, dedicated supporting staff and ever enthusiastic students community, I would strive to lead the college to further heights. As an institution of higher education, being a principal, my foremost responsibility would be to get the college recognized in every possible domain, improve placement records, bring new grants for taking up researches, open new avenues for student's all round development, encourage the teaching staff to get involved in active researches, and bring glory to the college.

I would leave no stone unturned for looking for new avenues where the college could leave its permanent imprints and provide better opportunities to every stakeholder to prosper, progress and work in friendly environment upholding the moral values and life skills.

In addition, I would provide inspirational and motivational value based academic and executive leadership to the college through formation, operational, management, optimization of human resources and concern for environmental sustainability.

I would act as a steward of the college's assets in managing the resources, responsibility and promote collaborative and consultative work culture, endeavor to promote a work culture and ethics and bring about quality, professionalism to the society, adhere to responsible pattern of conduct, participate in extension, co-curricular and extra-curricular activities, and refrain from allowing consideration of caste, creed, religion, race, gender or sex in their professional endeavors. My best wishes would be with everyone who will partner with me in these endeavors.
